## CLASSEMENT DE LA MAIN-D'ŒUVRE (Questions 20 et 21)

Questions 20 and 21 are for the purpose of classifying all persons 14 years of age and over according to their status in the labour force; i.e., at work, not at work but with a job, not at work and seeking work, and not in the labour force during the week ending June 2, 1951. In order to answer these questions correctly, you must understand thoroughly what is included in each of the following terms.

Les questions 20 et 21 serviront au classement de toutes les personnes âgées de 14 ans et plus selon qu'elles figurent parmi la main-d'oeuvre comme au travail, employées mais non au travail, ne travaillant pas et en quête de travail et inactives durant la semaine terminée le 2 juin 1951. Pour répondre correctement à ces questions, il vous faut comprendre parfaitement le sens de chacun des termes indiqués ci-dessous.

### 20. What did this person do mostly during the week ending June 2, 1951?

—

### 20. Quelle a été la principale activité de cette personne durant la semaine terminée le 2 juin 1951?

Mark the oval which describes the person's chief activity for the week ending June 2, 1951.

W **Worked:** — This includes persons who worked for pay or profit, or worked without pay in an enterprise owned and operated by a related member of the household.

*Examples of whom to classify as "Worked":*

(1) worked for wages, salary, at piece rates, on commission, for tips, for board or lodging, or for payment in kind in private or government employment.

(2) worked for profit or fees in his own business or profession, or on his own farm. This includes a person who worked for profit or fees in her own home, such as a woman who took in laundry or sewing.

(3) worked without money wages or salary, at tasks (other than home housework) which contributed to the operation of a farm or business owned and operated by some member of the household related by blood or marriage, such as a grocer's wife who worked in the store without wages.

(4) worked in connection with renting rooms or providing meals for boarders.

(5) spent time in the operation of a business or profession even though no sales were made nor professional services rendered, such as a lawyer spending his time in his office waiting for clients.

(6) spent time at a military camp as a member of a Reserve unit.

*Do not include the following in "Worked":*

(1) worked without money pay for a related member of the household at tasks which did not contribute to the operation of a farm or business, e.g., home housework, cutting the lawn, painting the garage, weeding the kitchen garden.

(2) worked without money pay for a related member of the household who does not own and operate a farm or business, but who is himself an employee.

(3) worked without pay either in cash or kind for a member of the household to whom he is not related by blood or marriage.

(4) worked without pay either in cash or kind for a related person who is not a member of the same household.

(5) worked without pay either in cash or kind as a volunteer worker for organizations of all types (Red Cross, charitable organizations, church groups, etc.).

Marquer l'ovale qui indique la principale activité de la personne durant la semaine terminée le 2 juin 1951.

W **Au travail:** — Cette catégorie comprend les personnes qui travaillent pour un salaire ou un profit, ou font du travail non rémunéré dans une entreprise possédée et exploitée par un parent, membre du ménage.

*Exemples de personnes qui doivent être classées comme "au travail".*

1° Personne qui travaille moyennant salaire ou traitement, à la pièce, moyennant commission, pourboires, pension ou logement, ou rétribution en nature, à l'emploi d'un particulier ou du gouvernement.

2° Personne qui travaille en vue d'un profit ou moyennant des honoraires dans son propre commerce ou sa profession, ou sur sa propre ferme. Se trouve comprise une personne qui travaille en vue d'un profit ou d'honoraires dans sa propre maison; par exemple, une femme qui fait du blanchissage ou de la couture chez elle.

3° Personne qui travaille sans rémunération en argent à des tâches (autres que la tenue de la maison) qui contribuent à l'exploitation d'une ferme ou d'un commerce possédés ou exploités par un membre du ménage parent par le sang ou par alliance. Exemple: l'épouse d'un épicier qui travaille au magasin sans rémunération.

4° Personne qui travaille en rapport avec la location de chambres ou la préparation des repas des pensionnaires de la maison.

5° Personne qui a consacré du temps à l'exploitation d'un commerce ou à une profession même si aucune vente n'a été faite ni aucun service professionnel rendu, comme dans le cas d'un avocat qui reste à son bureau, attendant le client.

6° Personne qui a passé son temps à un camp militaire comme membre d'une unité de réserve.

*Ne pas inclure les personnes suivantes comme "au travail".*

1° Personne qui fait un travail sans rémunération monétaire pour un parent, membre du ménage, à des tâches qui ne contribuent pas à l'exploitation d'une ferme ou d'un commerce, comme, par exemple, la tenue de la maison, le tondage du gazon, le peinturage du garage, le sarclage du jardin potager.

2° Personne qui fait un travail sans rémunération monétaire pour un parent, membre du ménage, qui n'est ni propriétaire ni exploitant d'une ferme ou d'un commerce, mais qui est lui-même un employé.

3° Personne qui fait un travail non rémunéré en espèces ou en nature pour un membre du ménage qui n'est parent ni par le sang ni par alliance.

4° Personne qui fait un travail non rémunéré en espèces ou en nature pour un parent qui n'est pas membre du même ménage.

5° Personne qui fait un travail non rémunéré en espèces ou en nature à titre de zélateur pour des organismes de tous genres (Croix-rouge, organismes de charité, oeuvres paroissiales, etc.).

J **With a Job But Not at Work:** – This includes persons who had a job or business, but were absent from it during the week ending June 2, 1951, for any of the reasons listed below:

(1) *Illness* – This refers either to illness of the person himself or any other person.

(2) *Bad weather* – Some jobs, such as fishing, fruit picking, are affected by weather conditions, and bad weather could be the reason for a person not working at his job.

(3) *Vacation* – This includes vacations with or without pay, as long as the person's job is being held for his return. This reason would apply in the case of a school-teacher or professor on vacation who has a contract or definite arrangement to resume teaching in the fall.

(4) *Labour dispute* – This includes strikes, lock-outs, and similar labour disputes which resulted in the person's not being at work.

(5) *Temporary layoff* – This refers to persons who were laid off from their job, with definite instructions to return to work within 30 days of the layoff. A person who is laid off for more than 30 days should not be included. If he is not working at some other job, he should be regarded as "Looking for Work" or "Voluntarily Idle".

(6) *Has a new job to go to* – In order to be included in this category, a person who did not work during the week of June 2nd must have a definite job to report to within 30 days of June 2nd.

(7) *Other* – Includes reasons which are not described in the categories listed above, as for example, – fire, quarantine, etc.

L **Looked for Work:** – This includes persons who actively looked for work during the week ending June 2, 1951, or who would have actively looked for work except for temporary illness, indefinite layoff, or the belief that no work was available.

(1) *Actively looked for work* – This refers to those who made efforts to obtain a job, or establish a business or professional practice. Such efforts may consist of registration in a government employment office, meeting with prospective employers, placing or answering advertisements, writing letters of application, or working without pay in order to gain experience.

(2) *Would have actively looked for work except for temporary illness* – This refers to those who would have been actively looking for work but were prevented from doing so because of their *own* temporary illness or disability. It does not include persons who would have been actively looking for work except for the illness of another person or persons.

(3) *Did not actively look for work because of indefinite layoff* – This includes persons who were laid off from a job at which they were working, without definite instructions to return to work within 30 days of the beginning of the layoff, and did not actively look for another job because they expected to be called back to their old job. It does not include persons who work only off and on of their own volition.

(4) *Did not actively look for work because of the belief that no work was available* – Individuals in this category usually will be residents of a community where there are only a few important industries which are either shut down or operating at less than capacity during the week ending June 2nd. This group also includes persons who would have been actively engaged in looking for work except for the fact that there were no jobs available in the community suitable to their particular skill. It does not include persons not actively looking for work because they are too old, too young, or handicapped in any way.

J **Employée mais non au travail:** – Cette catégorie comprend les personnes qui ont un emploi ou un commerce mais s'en sont absentées durant la semaine terminée le 2 juin 1951 pour l'une des raisons énumérées ci-après.

1° *Maladie* – Se rapporte à la maladie de la personne elle-même ou de toute autre personne.

2° *Mauvaise température* – La mauvaise température nuit à certains travaux comme la pêche, la cueillette des fruits, et peut être le motif pour lequel une personne employée n'est pas au travail.

3° *Congés* – Comprend les congés avec ou sans rémunération pourvu que l'emploi de la personne lui soit gardé à son retour. Cette raison s'appliquerait au cas d'un instituteur ou d'un professeur en vacances qui a signé un contrat ou pris des dispositions bien définies en vue de reprendre l'enseignement à l'automne.

4° *Différend ouvrier* – Comprend les grèves, lock-out et différends ouvriers analogues qui empêchent une personne d'être à son travail.

5° *Congédiement temporaire* – Se rapporte aux personnes qui ont été congédiées de leur emploi avec instructions expresses de retourner au travail dans les 30 jours qui suivent leur congédiement. Ne pas inclure une personne congédiée pour plus de 30 jours. Si elle ne travaille pas à un autre emploi, elle doit être considérée comme "en quête de travail" ou "volontairement inactive"

6° *A obtenu un nouvel emploi* – Pour figurer à cette catégorie, une personne qui n'a pas travaillé durant la semaine terminée le 2 juin doit avoir obtenu un emploi déterminé auquel elle doit se présenter dans un délai de 30 jours à compter du 2 juin.

7° *Autre* – Comprend les raisons qui ne sont pas expliquées dans les catégories énumérées antérieurement, comme par exemple, l'incendie, la quarantaine, etc.

L **En quête de travail:** – Cette catégorie comprend les personnes qui ont activement cherché du travail durant la semaine terminée le 2 juin 1951 ou qui l'auraient fait mais en ont été empêchées par une maladie passagère, un congédiement indéterminé, ou parce qu'elles ont cru qu'il n'y avait aucun emploi disponible.

1° *Ont activement cherché du travail* – C'est le cas des personnes qui se sont efforcées d'obtenir un emploi ou d'établir un commerce ou une pratique professionnelle. Ces tentatives peuvent consister à s'inscrire à un bureau de placement du gouvernement, à rencontrer des employeurs éventuels, à insérer des annonces dans le journal ou à répondre à des annonces d'emploi, à écrire des lettres de demande d'emploi ou à travailler sans rémunération afin d'acquérir de l'expérience.

2° *Auraient activement cherché du travail n'eût été d'une maladie passagère* – C'est le cas des personnes qui auraient activement cherché du travail mais en ont été empêchées parce qu'elles ont été malades ou temporairement invalides. Ne sont pas comprises les personnes qui en ont été empêchées par la maladie d'une autre personne.

3° *N'ont pas activement cherché du travail a cause d'un congédiement indéterminé* – Sont comprises les personnes qui ont été congédiées d'un emploi auquel elles travaillaient, sans instructions expresses de retourner au travail dans un délai de 30 jours, et qui n'ont pas activement cherché du travail parce qu'elles prévoyaient être rappelées à leur ancien emploi. Doivent être exclues les personnes qui ne travaillent que rarement, de leur plein gré.

4° *N'ont pas activement cherché du travail parce qu'elles ont cru qu'il n'y avait aucun emploi disponible* – Les personnes de cette catégorie sont ordinairement les habitants d'une localité qui ne contient que quelques industries importantes qui sont fermées ou fonctionnent à rendement partiel durant la semaine terminée le 2 juin. Ce groupe comprend aussi les personnes qui auraient cherché activement du travail s'il y avait eu dans leur localité des emplois disponibles adaptés à leurs aptitudes particulières. Sont exclues de cette catégorie les personnes qui ne cherchent pas activement du travail parce qu'elles sont trop âgées, trop jeunes ou désavantagées de quelque façon.

H **Keeping House:** – Mark this oval for persons who:

(1) were occupied with their own housework.

(2) were helping another member of the household with the housework, such as an unmarried daughter assisting her mother.

(3) would have been keeping house except for temporary illness.

(4) were engaged in the management of their own homes or children, even though the actual housework was done by servants under their direction.

*Note:* It does not include "paid" housekeepers or other "paid" domestic helpers. The latter should be marked as "Worked".

S **Going to School:** – Mark for persons who attended any kind of public or private school, university, trade or vocational school in which students do not receive any compensation in money or kind. Veterans attending school or university and receiving maintenance grants from the government are not considered as receiving compensation or pay, and should be entered as "Going to School".

Mark "Going to School" also for persons who would have attended school during the week ending June 2, 1951, except for temporary illness or short vacation during the school term.

Do not mark as "Going to School" for:

(1) Nurses-in-training. They receive room, board, tuition, and usually some wages, and should therefore, be marked "Worked".

(2) Students on extended vacation. They should be marked in one of the other positions which describes the chief activity.

R **Retired or Voluntarily Idle:** – This is to be marked for persons who are retired on pension or with independent incomes, young persons who are not working, and persons in the off-season for a continuous period of 30 days or more. It does not include schoolteachers or professors on summer vacation who have definite arrangements to resume teaching in the fall. The latter should be marked as persons who had a job but were not at work.

OTH **Other:** – Mark this for persons whose major activity does not appear to be described by any of the other labour force classification terms. Some examples are: –

(1) persons who were doing volunteer work without pay in cash or kind for organizations such as the Red Cross, church organizations.

(2) persons who worked without pay for a member of the household who does not operate his own farm or business.

(3) persons who worked without pay for a relative or other person not a member of the household.

(4) prisoners and patients enumerated in institutional households.

U **Permanently Unable to Work:** – Mark this for persons who, according to the respondent, are permanently unable to work because of old age, physical or mental disability, or chronic illness. The distinction between permanent and temporary disability or illness depends upon the statement of the person interviewed and not on the judgment of the Enumerator. A person who is unable to work himself but owns a business and hires others to do the work should be classified as "Worked" rather than "Permanently Unable to Work", since he is engaged in mental work and is responsible for managing the business.

H **A tenu maison:** – Marquer cet ovale pour les personnes qui:

1° étaient occupées à leur propre travail de maison.

2° aidaient un autre membre du ménage à la tenue de la maison, comme une fille célibataire qui aide sa mère.

3° auraient tenu maison n'eût été d'une maladie passagère.

4° veillaient au soin de leur maison ou de leurs enfants, bien que ce soit des domestiques qui exécutent les travaux du ménage sous leur direction.

*Nota:* Ne pas inclure les ménagères *rétribuées* et autres aides ménagères *rétribuées*. Celles-ci doivent être inscrites comme "au travail".

S **A l'école:** – Marquer cet ovale dans le cas des personnes qui fréquentent une école publique ou privée quelconque, ou une université, ou une école commerciale ou professionnelle, où les étudiants ne reçoivent aucune rétribution en argent ou en nature. Les anciens combattants qui fréquentent l'école ou l'université et qui reçoivent du gouvernement une allocation de subsistance ne sont pas considérés comme recevant une rétribution ou un salaire et doivent être inscrits comme étant "à l'école".

Inscrire également comme étant "à l'école" les personnes qui auraient fréquenté l'école durant la semaine terminée le 2 juin 1951 si elles n'avaient été malades ou en vacances pour quelque temps pendant la période des classes.

Ne pas inscrire comme étant "à l'école".

1° Les élèves-infirmières. Elles reçoivent chambre, pension, enseignement et ordinairement une certaine rétribution et doivent donc être classées "au travail".

2° Les étudiants en vacances prolongées. Ils doivent être inscrits dans l'un des autres ovales qui décrivent la principale activité.

R **Retirée ou volontairement inactive:** – Cet ovale doit être marqué dans le cas des personnes à leur retraite jouissant d'une pension ou d'un revenu personnel, de jeunes personnes qui ne travaillent pas, d'employés saisonniers qui, au cours de la morte-saison, sont inactifs pendant une période ininterrompue de 30 jours ou plus. Ne pas inclure les instituteurs ou professeurs en vacances d'été qui ont pris des dispositions bien définies en vue de reprendre l'enseignement à l'automne. Ils doivent être inscrits comme personnes employées mais non au travail.

OTH **Autre:** – Marquer cet ovale dans le cas des personnes dont la principale activité ne semble pas figurer au classement de la main-d'oeuvre. Voici quelques exemples:

1° personnes qui font du service bénévole, sans rémunération en argent ou en nature, dans des organismes comme la Croix-rouge, ou des oeuvres paroissiales.

2° personnes travaillant sans rémunération pour un membre du ménage qui n'exploite pas sa propre ferme ou son propre commerce.

3° personnes travaillant sans rémunération pour un parent ou une autre personne qui n'est pas membre du ménage.

4° prisonniers et patients dénombrés comme faisant partie de ménages d'institution.

U **Incapable en permanence de travailler:** – Marquer cet ovale pour les personnes qui, au dire de la personne interrogée, sont incapables en permanence de travailler à cause de leur âge avancé, d'invalidité physique ou mentale, ou d'une maladie chronique. La distinction à faire entre invalidité ou maladie permanentes et temporaires n'est pas laissée au jugement de l'agent recenseur mais repose sur la déclaration de la personne interrogée. Une personne incapable de travailler elle-même qui possède un commerce et emploie d'autres personnes pour faire le travail doit être classée comme "au travail" plutôt que comme "incapable en permanence de travailler" puisqu'elle accomplit un travail mental et est responsable de la gérance du commerce.

**21. In addition, did this person do any work for pay or profit?**

**21. Cette personne faisait-elle quelque autre travail rémunéré ou rapportant du profit?**

This question should be asked in full as follows: *In addition did this person do any work for pay or profit or unpaid family work on a farm or in a business during the week ending June 2, 1951?*

Mark either "Yes" or "No" in Question 21 for every person except those reported as "Worked" or "Permanently Unable to Work" in Question 20. The answer to Question 21 will show whether such persons did some work for pay or profit or unpaid family work in addition to their chief activity reported in Question 20.

Examples of whom to mark "Yes" in Question 21 are:

(1) A housewife, marked "Keeping House" in Question 20, who helped her husband in his store or other business.

(2) A student, marked "Going to School" in Question 20, who worked after school hours or on Saturday.

(3) A retired person, marked "Retired" or "Voluntarily Idle" in Question 20, who worked part-time.

(4) A person marked "Looked for Work" or "With a Job But Not at Work" in Question 20, who did some work.

Special care must be taken with respect to female unpaid family workers on farms who are principally engaged in keeping house. They should be marked "Yes" in Question 21 *only* if, during the week ending June 2nd, they devoted one hour or more to farm work as distinct from housework and household chores.

Poser la question en entier comme il suit: *"Cette personne faisait-elle quelque autre travail rémunéré ou rapportant du profit ou du travail familial non rémunéré sur une ferme ou dans un commerce durant la semaine terminée le 2 juin 1951?"*

Inscrire "oui" ou "non" à la question 21 pour toutes les personnes, sauf celles qui ont été classées à la question 20 comme étant "au travail" ou "incapables en permanence de travailler". La réponse à la question 21 indiquera si ces personnes ont fait quelque travail rémunéré ou rapportant du profit ou du travail familial non rémunéré en plus de leur principale activité déclarée à la question 20.

Voici des exemples de cas qui demanderaient l'inscription "oui" à la question 21:

1° Une femme inscrite comme "a tenu maison" à la question 20, qui a aidé son mari dans son magasin ou un autre commerce.

2° Un étudiant inscrit comme étant "à l'école" à la question 20, qui travaille après les heures de classe ou le samedi.

3° Une personne retirée, inscrite comme "retirée ou volontairement inactive" à la question 20, qui fait du travail à temps réduit.

4° Une personne inscrite comme "en quête de travail" ou "employée mais non au travail" à la question 20, qui a travaillé.

Prendre un soin particulier dans le cas des travailleurs familiaux non rémunérés du sexe féminin habitant sur les fermes, lesquels s'occupent principalement de l'entretien de la maison. Dans le cas de ces personnes, inscrire "oui" à la question 21 *seulement* si, durant la semaine terminée le 2 juin, elles ont consacré une heure ou plus à du travail agricole distinct du travail ménager et des menus travaux domestiques.
